

# Hope Uganda Newsletter

## April 2016

### QUIZ AND CURRY NIGHT.... WHERE DO WE SIGN UP?!

We are very proud to announce that the quiz and curry charity night was a huge success!

Andy, our very talented quiz master, organised the event perfectly and it went without a hitch, in fact he is actually contemplating a new career path; but we won't go into too much detail about that!

We want to say a huge thankyou to everyone who donated, participated, bought tickets, offered raffle prizes and bought craft! Every single penny that we raised will go to help the children in Uganda and will help to set them up in their new homes and schools.

Of course we wouldn't have been able to host such an event without the support of Nobannos, Congleton – a huge thankyou to all of the staff there for giving us such a memorable evening full of fun, laughter and brilliant food! We raised a massive £1200 on the night and we are lucky enough that donations continue to be received as a result of the night.

### What is happening next?

- Three buildings are still to be built.
- Latrines are in the process of being emptied of water thanks to a huge downpour of rain!
- Children are waiting to move into their new home.
- Schools are being contacted and are awaiting the enrolment of our 10 children.
- Beds, bedding, pots, plates, clothes, uniforms and much more will be bought as soon as possible.
- More fundraising events are being planned as you read!

## MEET THE TEAM!

The Hope Uganda team is made up of five individuals, with one common goal – to help the destitute children of Uganda as much as possible and give them a future.

### Vanessa Pugsley

Vanessa is a member of Alsager Community Church, she went on a trip to Uganda in the summer of 2014 and is the secretary of HUG as well as being in charge of buying and selling African crafts to raise money for the charity. Vanessa has been on the charity board for several years, and has organised so many different fundraising events such as a charity ball and selling crafts at fairs all over the local

### Andrew Reid

Andy is the 'Money man' of the charity (the treasurer) he organises charity events such as the quiz and curry night and it is his job to ensure the charity has enough money to continue projects over in Uganda. He has just come back from a trip to Uganda to oversee the new building project with Roy, and he is also being sponsored to do the Yorkshire three peaks! Please get in touch if you wish to sponsor him!

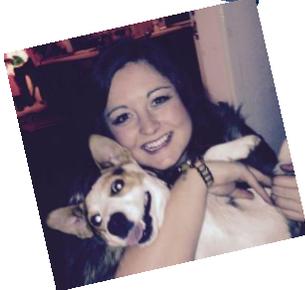

### Roy Field

Roy is the chairman of the charity, he organises our regular meetings to discuss future plans for HUG and how to achieve them! He oversees the building projects and is in regular touch with people who work for the charity in Uganda to ensure the safety of our children. After coming back from Uganda this February, Roy is already keen to get another group out to our orphanage as soon as possible.

### Pete Howard

Pete is the pastor of Alsager Community Church, and saw firsthand the desperate conditions the children are living in over in Uganda, and helps out with all fundraising to continue to support the children after his visit in Summer 2014. He – along with Rachel – is the newest member of the charity board and is currently designing our new website.

### Rachel Langford-Jones

Rachel is a primary school teacher at Hungerford Academy, and was introduced to the charity by Sue and Roy Field three years ago. After visiting Uganda in the summer of 2014, she instantly fell in love with the children over there and since then has made it her mission to raise as much awareness for the charity as she could, and what better platform than a whole school full of adults who love children and 400 English children very keen on raising money for their Ugandan friends.

## WE NEED YOUR HELP!

To ensure the children have a future, they need to be educated, and unfortunately, this costs money in Uganda. We are in desperate need of regular donations- every little helps- and our English pound goes such a long way in Ugandan shillings. If you would like to be a part of this brilliant charity and help our children, please contact any member of the charity in person, or text
