(HUG)

Charity No. 1146325

Hello, Everyone,

We apologize for the long delay in sending news. There has been so much going on, and time has slipped away with many changes. In 2025, we welcomed two additional committee members, Norma, who has been to the project three times, and Sharon, who joined us for the first time this year. Both ladies have a heart for our Ugandan family, so a big welcome to them both. We hope to be able to send more regular emails and keep you up to date!

The Visit to Rainbow Hope Centre March 2025:

One of the biggest projects this year was an extension to the kitchen for a new cooker. The regulations in Uganda have changed and we need to switch to an alternative fuel for the cooking. The building work was completed while we were there and the next stage is the installation of a new cooker by a professional, with some ventilation. A big thank you to everyone who donates and has enabled this essential work to be done!

The children are all growing up fast and in 2026 we will have some big changes. There will only be three of the children still in Primary school, adults now who are looking at opportunities for further education in

and eight children in Senior school. The remaining four are all young adults now who are looking at opportunities for further education in Kampala, or moving into work, which creates some new challenges to consider

Fundraising is ongoing in the UK, with many different small events to try and boost the ever-increasing demands for funds. We have done a craft fair in Holyhead and are planning a mystery auction in the autumn, and a talk in Alsager in October to try and raise more support.

One other new idea is to encourage regular donations of even a small monthly amount, as this all adds up to make a difference. We are in the process of getting a flyer printed that we can share at our fundraising events, previewed below:
